

2008 Camp Wrightwood Summer Program

Camp Wrightwood is a mountain facility owned and operated by the Episcopal Diocese of Los Angeles, located in the San Gabriel Mountains of the Angeles National Forest at an elevation of 6,100 feet. We are a community that actively lives Christian Principles by providing a place where campers can feel safe and loved; where they can be challenged and discover their own strengths and gifts; where we are all equal despite our many differences; where nature can speak its wisdom and the Presence of the Creator is self-evident.

Archery, canoeing, skits, songs, hiking and sleeping under the stars are just some of the activities in our fun-filled program, where learning and playing happen at the same time! Our intimate camp setting (only 42 kids per session) and well-trained, supportive staff provide a traditional camp experience where role models are born and lifelong friendships are made.

Price is \$400 per session.
